## Escape Room Team Building

### What is an escape room?

An escape room is a real-life adventure game in which players solve a series of puzzles using clues, hints, and strategy that are hidden within the room. Players are given a set time limit and the goal isn't always escaping. We like to add an additional element to most of our games and you must reach a certain goal before escaping. Each goal will depend on the theme of the game.

Escape rooms are inspired by "escape the room" style video games that can easily be found online. Live action rooms started in Japan, crept their way across Europe, and were introduced to the United States a few years ago. We're happy to educate players on how fun an escape room can truly be!

### How is this team building?

Escape rooms allow your group members to escape the norm with fun team building exercises that stimulate creative thought, synergy, and efficiency with each other through a myriad of puzzles, hidden clues, and mind games in an experience that will leave everyone energized and inspired. By encouraging teams to rely on each other's individual strengths through unique obstacles and tasks, we provide an environment that brings out the best your team has to offer!

### What are my options?

It all depends on the number of people you plan on having. You can always reserve individual games but they won't all be able to run at the same time. To get more than two or three games to run at the same time, you'll have to reserve The Ultimate Adventure.

Our Ultimate Adventure package is for larger groups. It allows you to rent out our entire facility at a discounted price and allows all the games to run at the exact same time. We've outlined it below!

### What are your accommodations?

Being in the King of Prussia area allows a slew of accommodations and opportunities abound. The King of Prussia Mall and the King of Prussia Town Center are minutes down the road with many amazing restaurants to choose from!

We've provided a list of some of our favorite local accommodations if you downloaded this!

## Individual Games (Smaller Groups)

---

We have five different games for you to choose from:  
Aunt Edna's Inheritance, Lucky Dice Diner, Quest for the Throne,  
The Blind Tiger Speakeasy, and Baker Street Mystery!

Aunt Edna's Inheritance and Lucky Dice Diner run at the same time and can hold up to 10 people.  
Quest for the Throne and The Blind Tiger Speakeasy run at the same time and can hold up to 10 people.  
Baker Street Mystery runs at different times than the rest of the games and can hold up to 8 people.

**We are \$32.99 (plus a 10% Upper Merion Township Amusement Tax  
& an online reservation fee) per person per game.**

We are the only escape room in the area that has all private reservations with only a 2 person minimum!  
This means you'll never be in a game with people you don't know. For example, if you reserve for 4 people,  
the 6 other spots will not be open to the public to reserve.

We stay private by requiring a minimum of 2 players (even if you have less than 2, you can always come  
with only 1, but still must reserve the minimum of 2.

Reservations can always be made right online through our website, [www.expeditionescape.com](http://www.expeditionescape.com).
